## **DENTAL LIBRARY E-NEWS**

**March 24, 2005**

### **In this newsletter:**

1. **e-CPS**
2. **New books**
3. **RCDSO Listings**
4. **Medline online tutorial**
5. **health-evidence.ca**
6. **New e-journals**

### **1. e-CPS**

CPS is now online! U of T Libraries recently licensed [e-CPS](#), the electronic version of this popular Canadian drug guide (a.k.a. Compendium of pharmaceuticals and specialties).

*Web address:* [http://link.library.utoronto.ca/eir/EIRdetail.cfm?Resources\\_ID=80813&T=R&FID=](http://link.library.utoronto.ca/eir/EIRdetail.cfm?Resources_ID=80813&T=R&FID=)

For your convenience we have added links to e-CPS from the [Dental Library web site](#) (see "Quick Links") and from the [Pharmacology Desktop Library](#).

### **2. New books:**

Here are just a few of the books added to our collection recently:

- Concepts in dental public health** (Lippincott Williams & Wilkins, 2005)
- Dental law in Canada** (LexisNexis Butterworths, 2004)
- Digital and conventional dental photography : a practical clinical manual** (Quintessence, 2004).
- Forensic dental evidence : an investigator's handbook** (Academic Press, 2004)
- Handbook of laboratory animal science, 2nd ed.** (CRC Press, 2003/2005)
- Human disease for dentistry** (Oxford University Press, 2004)
- Occlusion and clinical practice : an evidence-based approach** (Wright, 2004)
- Writing your master's thesis** (Studymates, 2004)

For a complete list (including call numbers to help you find these books on our shelves), please see our [Recent Acquisitions](#) web page.

### **3. RCDSO Listings**

The [Listings](#) (the RCDSO's directory of dentists and specialists in Ontario) is now published on the organization's web site (as well as in hard copy).

*Web address:* [http://www.rcdso.org/pdf/RCDSO\\_Listings\\_04.pdf](http://www.rcdso.org/pdf/RCDSO_Listings_04.pdf)

We have added a link to the Listings from the [Dental Library web site](#) (please see "Quick Links").

#### 4. Medline online tutorial:

Are you taking full advantage of the search features of Ovid Medline? Do you understand exploding, focusing, combining, and limiting? If not, you're the person I had in mind when I developed the [Ovid Medline Tutorial for Dentistry](#). It includes lots of examples and provides interactive quizzes to test yourself.

*Web address:* <http://probability.ca/mfulford/medline/>

(I would welcome your comments or suggestions for improvement to the tutorial:  
[:margaret.fulford@utoronto.ca](mailto:margaret.fulford@utoronto.ca); extension 4607.)

#### 5. health-evidence.ca

The new web site [health-evidence.ca](http://www.health-evidence.ca) is a registry of systematic reviews. Its goal is "to provide relevant, synthesized, quality-rated research evidence to decision-makers to promote evidence-based public health decision-making."

*Web address:* <http://www.health-evidence.ca/>

#### 6. New e-journals:

The [International journal of dental hygiene](#) has been added to U of T's collection of licensed electronic journals.

*Web address:* [http://link.library.utoronto.ca/eir/EIRdetail.cfm?Resources\\_ID=79687&FID=&T=J](http://link.library.utoronto.ca/eir/EIRdetail.cfm?Resources_ID=79687&FID=&T=J)

The following free electronic journals are also now available:

Acta odontológica venezolana  
Acta stomatologica naissi  
Endodontology (New Delhi)  
Internet journal of dental science  
Journal of applied oral science  
Revista española de cirugía oral y maxilofacial

For links to these and other e-journals, please see the library's [Current dental journals](#) web page.
