Dr. G.V. Fisk

Dr. Fisk was born in Lorneville, Ontario. He graduated from the faculty of dentistry, University of Toronto, in 1917 and then for three years was indentured with the late Dr. George Grieve. Since then he has practiced his specialty of orthodontics. He was President of the Great Lakes Assoc. of Orthodontics in 1936. He has been Chairman of the Hospital Dental Services Committee; the Research Committee; the Journal Committee and the Public Relations Committee of the Canadian Dental Assoc. He served as President of the Association in 1949-50.

Her is an Associate of the Department of Orthodontic at his alma mater and has had much to do with the organizing of the Dental Dept. in the new Hospital for Sick Children. He was made a Fellow of the American College of Dentists in 1945.

Vernon is an accomplished musician and for many years was organist in one of Toronto's larger churches. He is an active Rotarian. He and Olive have two boys, Murray, a graduate in Medicine and presently proceeding to the Specialty, of Gynecology, and Ross a second year student in the Faculty of Dentistry.
